The students are requested to sign up at USOS UL (see instructions below) for the selected language from **15.01.2018** to **25.01.2018** . The system closes on 25th January at 11.59pm.

The choice of the modern language is made by the student within the organizational capacity of the Foreign Languages Centre (FLC).

ATTENTION! Students do not take any level/placement tests!

Instruction for students on how to enroll for level B2 +:

- enter: <https://zapisy.uni.wroc.pl> (this is the only option to sign up for level B2 + courses)
- log onto the website - same login and password as for USOSWeb [your 'registration cart' appears - this is a chart with information including: tokens spent, the number of remaining tokens, etc.]
- go to the 'registrations' tab (60 tokens are required for level B2 +)
- consecutively select: 'Tura' > 'Name of course group' > 'Course name' > 'Group' you want to sign up for (the group description will appear once you scroll over it with the cursor or as 'additional information' once you click on it)
- enroll for the group you have selected by adding it to your 'registration cart' [adding to cart = signing up for the group]
- after data migration your name will be visible in the group at USOSWeb

Master's degree students who submit an international language certificate or another document confirming their language proficiency at level C1 or level C2, accepted by the Foreign Languages Centre (FLC) do not have to attend the B2 + level course.
